## GETAWAY THIS AUSTRALIA DAY TO PORT DOUGLAS' HOTTEST NEW ADDRESS & TAKE ADVANTAGE OF PATRIOTIC DEAL

In 2009, the buzz word that will grip the nation when it comes to travel is 'staycation' or holidays at home. Among the first to jump on this bandwagon is Port Douglas's hottest new address, Coconut Grove, that will celebrate its recent opening and the Australia Day weekend with a patriotic deal for locals that offers dinner for two at Zinc Restaurant to the value of \$150 for every three or more night booking in a terrace or penthouse apartment.

Coconut Grove Port Douglas combines the ultimate in luxurious resort accommodation with an idyllic location - smack-bang in the heart of Macrossan Street and just 400 metres from Four Mile Beach.

Situated on three levels, guests can choose between balcony, terrace and penthouse apartments in one, two and three bedroom configurations – all of which feature comprehensive self-catering facilities complete with their own spacious indoor and outdoor entertaining areas. With every detail accounted for and privacy assured, guests will have no need to leave their luxurious enclave during their stay – but of course can venture forth to take advantage of Coconut Grove's resort pool, entertaining area and the many delights of Port Douglas.

Accommodation rates for Australia Day weekend and until **February 28, 09** are from \$395 per night for a one bedroom apartment.

### **Terrace Apartments:**

Beautifully spacious, Coconut Grove's Terrace apartments are situated on level one. Perfectly suited to families, each incorporates three bedrooms in twin, queen and master (with king bed, walk-in robe and ensuite spa bath), bedroom configurations. With tranquil sleeping areas well separated from the kitchen

and living room with plasma television, children may rest while the parents kick up their heels or entertain friends.

**Penthouse Apartments:**

This is how the other half live – in one of Coconut Grove's three bedroom penthouse apartments with rooftop terrace. Enjoy a choice of sleeping configurations in twin, queen and master (with king bed, walk-in robe and spa bathroom) options, well appointed kitchen and living area with plasma television.
